

IMPORTANT NOTICE TO APPLICANTS

CFC Open Call for Proposals

The Common Fund for Commodities (CFC) has become aware of instances where third parties are advertising or promoting CFC and offering Grants/services related to the CFC Open Call for Proposals, including claiming to facilitate access to CFC funding.

The CFC does not provide grants through its Open Call for Proposals, nor does it authorize or endorse any external consultants, agents, or intermediaries to represent the organization or its funding opportunities. Any individual or organization offering such services or making such claims may act independently and without the authorization of the CFC.

All information regarding the CFC Open Call - including eligibility criteria, application procedures, deadlines, and official updates - is communicated exclusively through the CFC's official website and social media channels.

The Common Fund for Commodities (CFC) is committed to conducting the Open Call for Proposals through a transparent, fair, and merit-based selection process. All applications are evaluated independently and exclusively against the published eligibility and evaluation criteria, ensuring equal treatment for every applicant.

We encourage all prospective applicants to refer only to the official information published on the CFC website and the CFC's official LinkedIn page.
