Step 2: More scope for activities outdoors, and indoor sports facilities to reopen

Step by step we are easing the coronavirus restrictions. If the hospital figures allow, we will take the second step of the reopening plan on 19 May and zoos, open air museums and fitness centres will reopen.

### Outdoor sports

- **Adults aged 27 and over** can do sports in groups outdoors. They must stay 1.5 metres apart.
- Up to 30 people per group.

### Indoor sports

- **Indoor sports facilities** open.
- Adults aged 18 and over can do sports indoors alone or in groups of 2. They must stay 1.5 metres apart. Reservations and a health check are mandatory. No group lessons, competitions or spectators.
- Up to 30 people per group.

### Travel and transport

- **Non-essential travel within the Netherlands** is allowed. Travel outside peak hours.

### Outdoor leisure

- **Amusement parks**, **nature parks** and **zoos** open. Play and recreation facilities, like miniature golf and climbing parks, open. Indoor spaces remain closed. Reservations are mandatory and can be made for up to 2 people (not counting children under 15) or 1 household. A health check is also mandatory.
- Rental services for recreational equipment, like canoes, boats and bicycles, open.

### Art and culture

- **Outdoors**: open air theatres, cinemas, museums, historic sites and sculpture gardens open.
- **Indoors**: locations for artistic and cultural activities, like music schools, open. Groups of up to 2 people 1.5 metres apart. Reservations and a health check are mandatory. Up to 30 people per space.

### Outdoor seating at cafés/restaurants

- Outdoor seating open from 06.00 to 20.00. Reservations are mandatory and can be made for up to 2 people (not counting children under 15) or 1 household. A health check is also mandatory.
- Outdoor seating at sports clubhouses open.
- Up to 50 people per seating area.

### Contact-based industries

- All services involving close contact are allowed. Reservations and a health check are mandatory. For customers of sex workers only the health check is mandatory.

---

**Basic rules**

- **Wash**: Wash your hands often. Cough and sneeze into your elbow.
- **Distance**: Stay 1.5 metres away from others. Avoid busy places.
- **Testen**: COVID-19 symptoms? Stay at home. Get tested as soon as possible.

---

**Reopening plan: step 2 on 19 May. If the number of ICU and hospital admissions hasn’t fallen enough by 17 May, step 2 will be postponed.**

**Government of the Netherlands**
